Controls

Weed Controls for lawns, flower and vegetable gardens

Green it™ Corn Gluten Weed Preventer RTS

Stop Weeds before they sprout with The Organic, bee friendly, ready to spray liquid Weed Preventer. Liquid corn gluten "ready to spray" pre-emergent weed control is the only organic product which works on both broadleaf and grassy weeds and will not burn existing plants.

- Unlike most weed preventers it is labelled for use in lawn and garden areas
- Proudly "MADE IN THE USA"
- 64 oz RTS covers 2,000 sq.ft.

*Natural Pre-emergent for
dandelion, clover and crabgrass*

People & Pet Safe when used as directed.
Corn Gluten, contains natural ingredients and prevents weeds from growing.

- ✓ Works on annual and perennial weeds.
- ✓ Works on grassy and broadleaf weeds.
- ✓ Works in lawns, around trees, shrubs, ornamentals, flowers and even vegetable gardens.
- ✓ Great for spring, and fall applications.

This convenient liquid formulation makes those large bulky bags of corn gluten meal obsolete.
